farm herds. Not highly fitted or trained. In
strong, thrifty, breeding condition.**

RAY AND GARY ENGLEHORN, Olivet, South Dakota 57052
Telephone 405-387-5415

General Information

TIME—The Sale will be held Monday, March 7, 1977, beginning at 1:00 P.M. sharp.

LOCATION—Yankton, South Dakota, at the Stockmen's Livestock Auction Pavilion east of Yankton on Highway 50.

TERMS—The terms of this sale are cash.

GUARANTEE—All cattle sold in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders Association as shown at the back of this book.

Announcements from the auction box will take precedence over printed matter in the catalog.

Where footnotes appear in this catalog they were written from information supplied by the owners.

All animals will be weighed day of sale. If returned for any reason approximate sale weight will be expected.

LIABILITY—We shall not be liable for any accidents that may occur but will make every effort to provide for the safety and comfort of those attending. Accidents at cattle sales are rare, but all attending must do so at their own risk. The guarantee and terms shall constitute a contract between the buyer and seller of each lot. The sale manager is retained for specific tasks promotional and clerical, and has nothing to do with the handling of the cattle or the condition of the premises. Neither the sale manager, clerk, nor auctioneer can assume any liability.

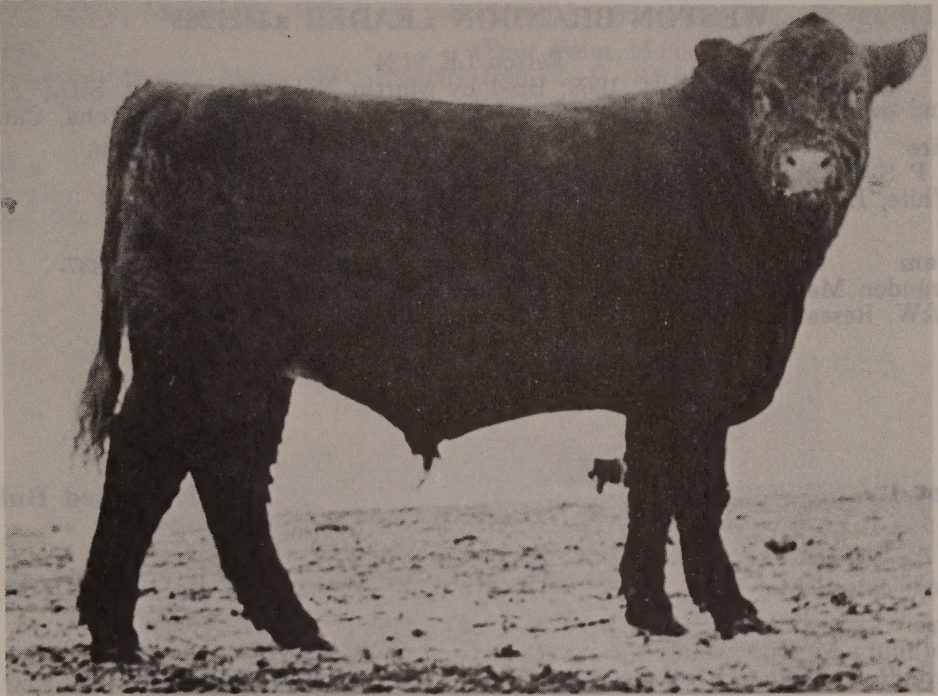

Up until a few days ahead of the sale we invite you to inspect these cattle at the Ranch.

BIDS—Those wishing to buy, who cannot be present, can send their bids to Dick Payne, Auctioneer, Yankton, S. Dak.; Gary Englehorn, Olivet, S. Dak.; Shorthorn Breeders Association, 8288 Haskell St., Omaha, Neb.

The entire herd has been production tested since 1959. We started testing with the South Dakota Production Records Inc. and have since changed over to the American Shorthorn Ass'n. production records.

For your information Weaning Index and Yearling Index is given in footnotes of each bull. Keep in mind these bulls are grown on limited feed.

Reference Sire

ROTHBURY MASSIVE MAJOR 638C

Yearling photo which was taken a few weeks before Bur Oaks bought him. He's a ton bull in any flesh and was the high selling bull in North America the year he was bought. He was purchased at the Canadian International bull sale. He was the first son of Massive Major to come to the States.

REGINA BULL SALE

SASKATCHEWAN CATTLE BREEDERS' ASSOCIATION

SILVERLEIGH APACHE 27E

Picture taken just before he was purchased by Bur Oaks when he was named the Champion Bull at the Regina bull show and sale. Regina is considered the largest show and sale of bulls in North America. Over 900 bulls were shown the year Apache was Champion. The following coming yearlings are his sons. If weather permits Apache 27E will be brought to Yankton for exhibit.

Standard Guarantee

A—Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B—All bulls are guaranteed breeders provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C—With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to seller.

D—When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E—In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy as such a certificate is required by the seller.

F—All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

G—Certificates of registry and transfer will be furnished with each animal sold. A signed application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date. This applies to registered animals only.

H—All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTION AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.

Dear Sir

Thank you for the interest in
our upcoming Shorthorn Sale on
March 7th.

I'm writing this letter to let you
know that I did send you a catalog
but since it went third class you
might not have it yet. It should be
there in a short period of time. If
it doesn't get there call me collect
and I'll send one to you first class.

At the time, I don't know if you're
interested in bulls or females so I'll
give a bit of information on each.

On the coming two year olds I'm
placing a special guarantee on 10
bulls. If you don't like the way
the bull grows out or you don't like
his first calf crop you can either
exchange the bull or send him to

market and I'll refund the rest
of the purchase price above what you
got on the market.

Those ten bulls are lots - 1, 2, 3
5, 6, 7, 9, 10, 11, 17.

The lot 7 bull weighed 1575
on Feb. 1. These bulls are not
fat. My goal is to raise Shorthorns
to compete against Herefords. These
bulls are heavy boned, long, and thick.
Some people say if I'd color them
like a Hereford they'd pass with no
trouble. If you're looking for
milking Shorthorn cattle these won't
do; they're too thick.

I do have some very good
females in the sale. Some I shouldn't
be selling but because of our dry
summer I might not have feed for
them so I'm parting with some.

These females will sell with the
buyer's choice of any of our herd
bulls to be used on them through
A.I. at no charge or signing feed
I'd breed these heifers to either the

Majors 638C bull, or the Apache 27Ex
bull. Apache was the Champion
bull at Beijing and as a 3 year
old weighs 2325 in just lean flesh.
He gets no grain. Majors 638C
is a heavier bull but doesn't have
the length (I don't believe) as the Apache
bull has. He's one of the best breeding
bulls we ever used. He was the
first son of Massive Majors (4-point
majors) to come into the States.

If you'd be interested in people that
used the Majors bull thru A.I., I
could pass a few names onto you
that you could phone up and ask for
a reference before you come clear out
here. I don't have any cattle in
your State and to be truthful I
have some in New York, California
and inbetween but nothing close to
you. you could phone ~~at~~ Wilmer
L. Good Jr., R.R. 1, Box 170,

Mulberry, Indiana, 46058. He
used Major through A.I. and by
talking to him over the phone he
seemed to think his coons were very
small. you could probably find
out from him what he thinks of the
major breeding. I haven't heard
from him since he bred the coons
but did send him his breeding
certificate and know he registered
some.

If you'd like any more information
feel free to contact me.

yours truly

Sam Englehorn
